To whom it may concern:

Perma-Guard Fossil Shell Flour, is 100% Diatomaceous earth. It does not contain any added ingredients.

Perma-Guard Diatomaceous Earth is composed of SiO₂ (Silicon DiOxide), trace minerals (which naturally occur within the Diatomaceous earth) and moisture. It is free of any animal, poultry or fish proteins and is not manufactured in a facility used to process any of the following:

Milk
Eggs
Fish
Crustacean shellfish
Animal Ingredients

Perma-Guard Fossil Shell flour is OMRI listed and suitable for a Vegan Diet or use in a Vegan establishment.

Sincerely,

Elyse Barkin, Manager
Perma-Guard, Inc.
